

Product Features

- Equipped with armrest seat for comfortable riding
- Water gun as standard, easy cleaning of wastewater tank
- Large-capacity filter basket effectively blocks debris
- Integrated electronic control system, easy maintenance
- Brand drive and motor, stable performance, low failure rate
- Cast aluminum squeegee, close ground contact, efficient water absorption, fits various floors
- Mechanical lifting of squeegee and brush disc, one-touch control

Technical Parameters

|                                  |                        |
|----------------------------------|------------------------|
| Cleaning width (brush size"inch) | 860mm/17"*2            |
| Squeegee width                   | 1200 mm                |
| Solution tank capacity           | 145 L                  |
| Recovery tank capacity           | 155 L                  |
| Battery                          | 24 V/150 Ah            |
| Drive motor                      | 650 W                  |
| Vacuum motor                     | 600 W                  |
| Brush motor                      | 500 W*2                |
| Continuous operating time        | 3~4 h                  |
| Weight (inc. battery)            | 267 kg                 |
| Max. coverage per hour           | 6500m <sup>2</sup> / h |
| Product size                     | 1750*1200*1300 mm      |

Function Description

- |                          |                        |                          |                           |
|--------------------------|------------------------|--------------------------|---------------------------|
| ① Warning light          | ⑦ Dirty water tank lid | ⑬ Charging port          | ⑲ Water filling port      |
| ② Sewage drain pipe      | ⑧ Rear wheel           | ⑭ Accelerator pedal      | ⑳ Clean water tank        |
| ③ Clean water drain pipe | ⑨ Squeegee assembly    | ⑮ Headlight              | ㉑ Clean water level gauge |
| ④ Water gun              | ⑩ Steering wheel       | ⑯ Front bumper           | ㉒ Brush disc assembly     |
| ⑤ Rear bumper            | ⑪ Control panel        | ⑰ Dirty water tank       | ㉓ Anti-roll bracket       |
| ⑥ Suction hose           | ⑫ Seat                 | ⑱ Retractable water hose |                           |
