

XC85S
Ride-on Floor Scrubber

Product Features

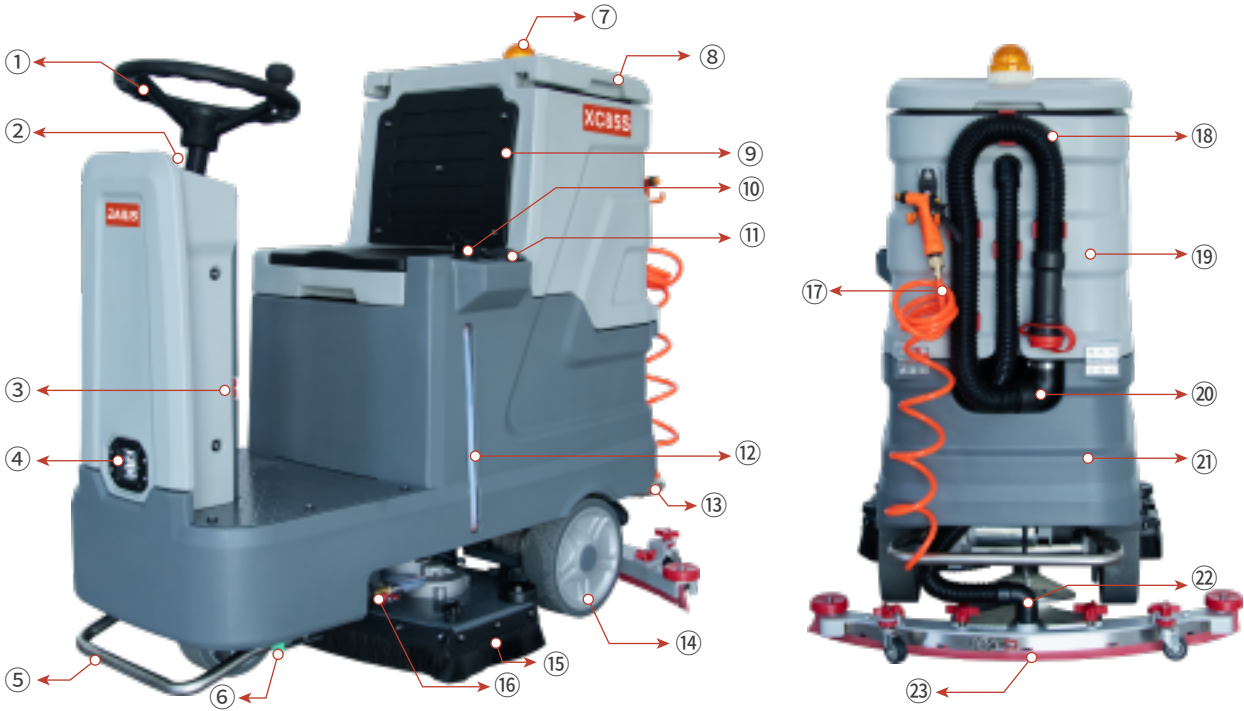

- ② Solenoid valve for precise water control with manual adjustment
- ② Front & rear anti-collision beams for bump protection.
- ② Equipped with spray gun for easy waste tank cleaning
- ② Cast aluminum squeegee, excellent ground adhesion, thorough water absorption and wide floor compatibility
- ② Mechanical lifting for squeegee and brush, one-touch easy operation
- ② Simplified button panel, low failure rate and low maintenance cost
- ② Wear-resistant anti-slip wheels, shock absorbing, noise reducing and long service life

Technical Parameters

Cleaning width (brush size"inch)	660mm/13"*2
Squeegee width	1000 mm
Solution tank capacity	80 L
Recovery tank capacity	85 L
Battery	24 V/150 Ah
Drive motor	480 W
Vacuum motor	500 W
Brush motor	300 W * 2
Continuous operating time	3~4 h
Weight (inc. battery)	163 kg
Max. coverage per hour	3900 m ² / h
Product size	1400*1000*1260 mm

Function Description

① Steering Wheel	⑦ Warning Light	⑬ Rear Bumper	⑰ Recovery Tank
② Control Panel	⑧ Recovery Tank Lid	⑭ Rear Wheel	⑱ Solution Drain Pipe
③ Charging Port	⑨ Seat	⑮ Brush Assembly	⑲ Solution Tank
④ Headlight	⑩ Pull-out Water Hose	⑯ Water Valve	⑳ Vacuum Hose
⑤ Front Bumper	⑪ Water Fill Port	⑰ Water Gun	㉑ Squeegee Assembly
⑥ Water Inlet	⑫ Solution Level Gauge	⑱ Drain Hose
