

# XC45

Walk-behind Scrubber

Product Features

- 19-inch brush delivers nearly 50cm cleaning width; compact body navigates narrow aisles effortlessly
- Simple button control panel for intuitive, one-touch operation
- Soft start & delayed vacuum shutdown extend motor service life
- Tilt-out recovery tank enables easy maintenance and battery replacement
- Dual protection: suction filter + dirty water sensor safeguards the vacuum motor
- Large-diameter water filler prevents spillage for clean, fast refilling

Technical Parameters

|                                  |                         |
|----------------------------------|-------------------------|
| Cleaning width (brush size"inch) | 490 mm/19"              |
| Squeegee width                   | 830 mm                  |
| Solution tank capacity           | 40 L                    |
| Recovery tank capacity           | 45 L                    |
| Battery                          | 24 V/76 A h             |
| Drive motor                      | /                       |
| Vacuum motor                     | 300W                    |
| Brush motor                      | 500 W                   |
| Continuous operating time        | 3~4 h                   |
| Weight (inc. battery)            | 95 kg                   |
| Max. coverage per hour           | 1800 m <sup>2</sup> / h |
| Product size                     | 1150*830*970 mm         |
