COMPANY PROFILE

About Us

Anhui Tianfu new material Co.,Ltd. It is located in Hefei, the capital city of Anhui Province, China.

Since 1999, we have been the agent of CHINA JUSHI (Fiberglass manufacturer, Listed stocks Code: SH.600176) and Shangwei New Materials (Resin manufacturer, Listed stocks Code:SH.688585), which are the largest glass fiber and resin manufacturer in China, and gradually become their largest agent.We supply fiberglass and resin raw materials to most fiberglass manufacturers in China.

Since 2015, we decided to take advantages of the raw material supply chain and set up our own FRP product production factory. After 6 years of development, now we have 20 production lines,with an average daily output of 100 tons. The factory covers an area of 1500 square meters and employs 150 people, and the products are sold to many countries around the world.

Nowadays, Anhui Tianfu new material Co.,Ltd. has become a excellent supplier of FRP product around the world. In the future, we will launch more FRP products to better serve our customers.
